Athlete Registration

Athletic team registration must be completed through [Arbiter Sports \(FamilyID\)](#). First-time users must create an account before registering their athlete. Registration opens 30 days before the season start date and closes one week prior to the first day of the season. Please note that the high school fall athletic season begins before the academic year.

All students are required to attend tryouts. For a list of available sports, please visit the [Roslyn High School athletic website](#).
