Winter SPORTS AWARDS**

“It is not the critic who counts; not the man who points out how the strong man stumbled or where the doer of deeds could have done them better. The credit belongs to the man (or woman) who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs and comes short again and again; who knows great enthusiasms, the great devotions; who spends himself in a worthy cause; who at the best, knows in the end the triumph of high achievement, and who, at the worst, if he fails, at least fails while daring greatly so that his place shall never be with those timid souls who neither know victory nor defeat.” - Teddy Roosevelt

2015-16 NYSPHSAA, INC.
SCHOLAR/ATHLETE TEAM AWARD

The New York State Public High School Athletic Association has been sponsoring the Scholar/Athlete Team Award Program since 1991. To earn a team award, a certain required number of varsity athletes in each varsity sport must have their season's report card averages combined for a team average. If that average is 90% or greater, the NYSPHSAA declares the team a **state scholar/athlete team**. We are pleased and proud that **seven** Winter Varsity teams received this award this season!
